## Experience

### **Iterate Marketing**

#### **Graphic Designer**

*August. 2019 - Present*

Designing websites, print materials, logos and social graphics for a wide variety of industries. I helped cement Iterate's authority in Transcranial Magnetic Stimulation Therapy marketing through thoughtful and innovative website UX & UI design.

### **Motion Tactic**

#### **Junior Graphic Designer**

*Jun. 2018 - Apr. 2019*

Designed websites for a wide variety of industries including; financial institutions, women's shelters, pest control, and medical. I also created icons, logos and print materials for clients. Additionally, I created any in-house graphics for Motion Tactic when needed both digital and print.

### **Phoenix Suns**

#### **Creative Services Intern**

*Jan. 2018 - Jun. 2018*

Worked independently creating social and collateral graphics for the Phoenix Suns, Phoenix Mercury and Talking Stick Resort Arena. Worked with digital and print design over all organizations. I designed many things including gameday social graphics, arena signage, jumbotron graphics, exterior arena signage, billboards and much more.
